

# Open String Bugle Call

Classroom Guitar Tutor

Based upon Reveille

With Vigor ♩ = 120

G

The "Open String Bugle Call" can be played on the guitar using three open strings -  
String 4 - D (space below the staff)  
String 3 - G (second line of the staff)  
String 2 - B (third line of the staff)

Notice that there is a repeated note and rhythm pattern identified by a bracket.  
This pattern consists of the open strings played in the order of -  
4 3 2 3 4 (the strings 2 and 3 are written closer together to indicate they are  
played with the faster rhythm of eighth notes)

An accompaniment of a "G" chord may be played using the following rhythms -  
Whole - 1 2 3 4  
Half - 1 2 3 4  
Quarter - 1 2 3 4
